PLEDGE OF HONOR

I, _____, believe that it is the will of God for me to be enrolled in CCBC for the _____ school year. I believe that God desires to do a significant work in my life that includes a deeper understanding of His Word, a stronger personal relationship with Him, the further maturing of my Christian character, the strengthening of personal disciplines in my life, the sharpening of my ministry skills, and the development of life-long friends.

Because of this, as a student of CCBC, I make the following pledge:

1. EXCELLENCE - I COMMIT to apply myself wholeheartedly to my spiritual and intellectual pursuits, focus my attention on learning in the classroom and communicating a spirit of excellence in my speech, conduct, appearance, and attitude.

2. CHARACTER - I COMMIT to remain open to the dealings of the Holy Spirit in all areas of my life that are not consistent with Christian character and true godliness. I commit to let God shape my character and continually transform me into His image.

3. AUTHORITY - I COMMIT to come under the authority and covering that God has put over me in this season including The City Church and CCBC leaders.

4. STEWARDSHIP - I COMMIT to be responsible for the financial commitments that I have made and to whom I have made them.

5. HEALTH - I COMMIT to maintain my body as God's temple and practice sound eating, sleeping, and exercise habits.

8. SOBRIETY - I COMMIT to refrain from the use of tobacco, marijuana, vaping, alcohol (including wine) and non-prescribed medication/drugs of any kind.

9. PEACE - I COMMIT to cultivate good relationships with others, to do my part to immediately resolve conflicts that may arise and to love others as Christ commands.

10. FAITHFULNESS - I COMMIT to be prompt and faithful in my attendance to all chapel times, class times, ministry practicums, church services, and all other required events.

11. I COMMIT to abide by all of the guidelines and standards of conduct as outlined in the Student Handbook or any other guidelines issued in oral or written form by the officials of the college, understanding that failure to cooperate could result in my dismissal from the college. I further understand that my signature below is my acceptance of the entire Pledge of Honor and completes a contract between me and CCBC.

This document will need to be signed by students online when accepted to CCBC.

I. INTRODUCTION

Welcome to California Coast Bible College and The City Church! We count it a privilege that you would spend this season with us as you prepare for the future. We believe that God has led you here to accomplish good things in you. He has a purpose for your life that is worth preparing for and we trust that this is the time and place to do so. Our desire for you is that you will discover and fulfill all of the reasons He had in mind in sending you to here.

This handbook is intended to help you get the most out of your experience here. Although not exhaustive, it addresses some of the most common questions and issues you will face. It will help you understand and take full advantage of the processes designed to assist you to become all God wants you to be during this season of your life. It will orient you to the expectations we have of you as a student so that you can be clear about important parameters during your time here. It also includes faculty-approved policies designed to foster learning both in and out of the classroom.

Please review this handbook carefully as you are responsible for knowing all the information in it.

The rationale for every policy and expectation is not given, but in general, the rationale for them comes from these categories: biblical absolutes, church/program values, growth goals, and community standards.

A. Biblical Absolutes

There are policies that flow from the moral absolutes contained in Scripture. California Coast Bible College seeks to be a place where the teachings of the Bible are applied to daily life. Submission to the Word of God is the greatest empowerment for a successful life.

B. City Church/CCBC Values

As a ministry of The City Church, California Coast Bible College reflects its values. The values that have produced a large, stable, reproducing, multi-generational church are promoted in California Coast Bible College. Respect is shown for other kinds of churches but the college is unhesitating in imparting the values that have proven to bear great fruit. Care is taken to distinguish between Biblical principles that can be universally applied and methodology that may differ from one church context to another.

C. Growth Goals

California Coast Bible College is constructed to be a place where personal and spiritual growth is accelerated. It is intended for people who are serious about becoming Christ-like, self-disciplined and effective in their calling. Comfort and ease are not valued as highly as change and growth. It is assumed that a student entering California Coast Bible College is deeply committed to personal and spiritual growth and will view all instruments of this process to be allies in this pursuit.

D. Community Standards

California Coast Bible College seeks to cultivate a Christian “family atmosphere” where students develop meaningful God-honoring relationships. Also, living together necessitates guidelines for the sake of harmony and mutual benefit. Thus, there are policies that are community standards variously based on wisdom, respect for others, principles of community life and/or health and safety. At times a student’s own personal values may not be in harmony with the community

standards. In those instances we ask the student to defer to the community standards, but are certainly open to communicate regarding any areas needing clarification.

These policies and guidelines are in effect throughout the entirety of the school year, including Thanksgiving break, winter break, spring break, any other breaks, and the summer months for those who plan to continue their education for a second year of CCBC.

II. VISION AND VALUES

A. CCBC Vision

California Coast Bible College is an educational ministry of The City Church existing to train students to discover and prepare for the call of God on their lives through various avenues such as: Biblical training, personal mentorship, corporate chapel times, missions trips, and practical ministry application in the local church setting.

At California Coast Bible College you will:

- Experience God
- Establish Your Foundation
- Discover Your Purpose
- Develop Your Gifts
- Transform Your Future!

B. City Church Vision

We exist for anyone to BELIEVE in God, to BECOME who God created them to be, and to BUILD up the Church and our city.

C. City Church Vehicles

In order to fulfill our mission, we utilize four simple vehicles:

1. **Gatherings** - We value the weekly gatherings we have on Sundays. Our aim is to make Jesus famous and give people the opportunity to meet with Him every time we gather. We are one church, with three campuses for weekly gatherings: City Church Ventura, City Church Agoura, Iglesia de la Ciudad (Venture Spanish Campus).
2. **City Groups** - We value the principle of doing life together through groups, where we are committed to one another in love. We believe, in this community of groups, we will see believe in God, become who God created them to be, and to build up the Church and our city. We have a variety of groups – every season of life, many common interests, and a variety of different needs – that will help you find the perfect place to connect with other awesome people like you! At The City Church, we do life together and as a result, we do life better!
3. **Grow Classes** - The City Church Grow Classes are designed to help you follow Jesus in a deeper and more meaningful way. From your initial decision to find out more about the vision of The City Church to finding a fulfilling leadership role on our team, these classes will provide you with a path to experience growth and fulfillment within the church.

The classes are comprised of five specifically designed monthly gatherings. Each gathering will help you take a step toward God's plan for your life. Ultimately, our goals are to help you grow in your relationship with God, connect with people, and discover your calling and gifting in the church.

4. **The Team** – We believe that saved people serve people. Every believer has a distinct set up gifts and abilities given to them by God to serve others. Our desire is that every believer would discover their purpose and through the grow classes and become a part of the team.

D. City Church Values

1. We are all about Jesus (**Priority**)
2. We pray about everything (**Prayer**)
3. We believe big (**Faith**)
4. We empower people (**Empowerment**)
5. We are generous (**Generosity**)
6. We bring our best (**Excellence**)
7. We show honor (**Honor**)

1. **Scripture** - We believe in the plenary-verbal inspiration of the accepted canon of the Scriptures as originally given and that they are infallibly and uniquely authoritative and free from error of any sort in all matters with which they deal, including scientific and historical as well as moral and theological. *2 Timothy 3:16; 1 Corinthians 2:13*
2. **God, Himself** - We believe in the Eternal Godhead who has revealed Himself as ONE God existing in THREE persons: Father, Son, and Holy Spirit; distinguishable but indivisible. *Matthew 28:19; 2 Corinthians 13:14*

4. **The Lord Jesus Christ** - We believe in the Lord Jesus Christ, the Savior of men, conceived of the Holy Spirit, born of the Virgin Mary, very God and very man. *Luke 1:26-35; John 1:18; Isaiah 7:14; 9:16*
5. **Christ's Death & Resurrection** - We believe Christ died for our sins, was buried and rose again the third day, and personally appeared to His disciples. *1 Corinthians 15:14; Romans 4:25*
6. **Christ's Bodily Ascension** - We believe in the bodily ascension of Jesus to heaven, His exaltation, and His personal, literal, and bodily coming again the second time for the Church. *John 14:2-3; 1 Thessalonians 4:13-18*

9. **Baptism of the Holy Spirit** - We believe in the baptism of the Holy Spirit as an experience subsequent to salvation. *Acts 2:1-4; 8:14-17; 10:44-46; Galatians 3:14-15*
10. **The Gifts of the Spirit** - We believe in the Spirit-filled life, a life of separation from the world, perfecting holiness in the fear of God as an expression of Christian faith. *Ephesians 5:18; 1 Corinthians 6:14; 7:1*
11. **Marriage** - We believe in the sanctity of marriage as established by the Holy Scriptures, that God created marriage, and that the only legitimate marriage is the joining of one man and one woman. *Genesis 2:24; Romans 7:2-3; 1 Corinthians 7:10-11; Ephesians 5:22-33*
12. **Healing** - We believe in the healing of the body by Divine Power, or Divine healing in its varied aspects as practiced in the Early Church. *Acts 4:30; Romans 8:11; 1 Corinthians 12:9; James 5:14-15*
13. **Communion** - We believe in the Table of the Lord, commonly called Communion or the Lord's Supper, for believers. *1 Corinthians 11:28-32*
14. **Tithes, Offerings, and Prosperity** - We believe in the Tithes (the first ten percent of our income) that belongs to the Lord, offerings that are given willingly, and alms that are given to the poor. We believe prosperity is the will of God for every believer and always to be associated with God's purpose. *Deuteronomy 8:18; 2 Corinthians 8:9; 9:6-15*
15. **Eternal Life** - We believe in eternal life for believers and eternal punishment for unbelievers. *John 5:24; 3:16; Mark 9:43-58; 2 Thessalonians 1:9; Revelation 20:10-15*
16. **Satan & His Judgment** - We believe in the reality and personality of Satan and the eternal judgment of Satan and his angels. *Matthew 25:41; Revelation 20:10-15*

III. PHILOSOPHY OF STUDENT GROWTH

It is our firm conviction that God wants every believer to be transformed into the image of Christ. This necessitates prioritizing transformation above other interests. California Coast Bible College is committed to being a place that fosters personal growth in an intentional way. Students are encouraged to identify areas that they need to improve in, implement strategies to see real change and evaluate their progress. This is done in a safe and friendly environment where exposed weaknesses are viewed as growth opportunities rather than reasons for rejection. Serving God's purpose in your life is our highest honor.

A. Growth Goals

The programs and processes of California Coast Bible College are designed to help students:

1. Learn the Word
2. Grow spiritually
3. Cultivate Christian character and lifestyle
4. Develop personal disciplines
5. Discover calling and destiny
6. Hone ministry skills
7. Acquire a Biblical worldview

B. Contributors to Growth

Following are some of the things that have proven to assist students in their development:

1. Impartation: We believe in the power of impartation. Often there are key moments when the Holy Spirit imparts specific grace to us through a wide variety of means. At California Coast Bible College this seems to happen regularly in classes, chapel times, church services, house meetings, and city groups. For this reason we ask all students to be faithful in attending all of these with an expectant heart.

2. Accountability: Accelerated growth usually doesn't happen without outside accountability. This is a dynamic tool that can motivate us beyond our own limitations. Students are asked to be accountable in a variety of areas not as a sign of a lack of trust but as a proponent of progress in their lives. This involves an honor system that presumes a sincerity on the part of the student to desire integrity above merely satisfying a system's requirements.

3. Mentoring: Generations is one of our core values; we believe that mentoring relationships allows us to invest in the next generation by doing life together and imparting knowledge and wisdom, so that students can grow in their relationships with God and develop as leaders.

4. Practical Involvement: The "in-working" of faith is coupled with the outward demonstration of works. Students need the opportunity to give out while they are receiving to make their learning real and meaningful. Some of the Holy Spirit's best work in us happens as we are focused on serving others. The local church provides the ideal context for this kind of "hands-on" learning. All students get to serve in this local church during the duration of this program.

5. Peer Relationships: Being in a close-knit community like California Coast Bible College, is a great advantage to someone desiring to grow. Having so many friends who are headed in similar life directions and who possess the same values is an amazing advantage when trying to stretch oneself. Mutual encouragement and accountability are great resources and relationships formed while in the program often become strategic later in life.

As in so many life pursuits, the more we commit ourselves to something, the better its fruit. Students who fully embrace and engage in EVERYTHING this program has to offer always seem to benefit the most from their time here. However, if for any reason a student feels they are not receiving all they desire from California Coast Bible College, the college staff would sincerely appreciate the opportunity to discuss their concerns.

IV. SPIRITUAL LIFE

Recognizing spiritual growth to be the most important key to life success, California Coast Bible College places a strong emphasis on this area. We seek to provide an atmosphere conducive to spiritual development. The most important area students can grow during their time here is their personal relationship with Jesus Christ. All students are continually encouraged in their own walk with God and much of the program is aimed at equipping a student's spiritual development.

A. Personal Devotional Life

The foundation for all spiritual experience is one's own personal relationship with God. Students are encouraged to develop a daily, meaningful and uniquely personal devotional life. In the dynamic spiritual atmosphere of California Coast Bible College, it can be easy to become dependent on the corporate gatherings of the church and overall program. Students are strongly encouraged to utilize these corporate times to motivate their own private devotional times rather than replace them. Our desire is that students will move forward from this season with a significantly more intimate relationship with God. Though there is no formal system of accountability for this area, faculty and staff are available to students as spiritual coaches to assist them in this pursuit.

B. CCBC Spiritual Life

Equally as important as an individual walk with God is a person's ability to function as a team member in unity with other believers in the Body of Christ. California Coast Bible College provides a variety of organized opportunities to foster spiritual growth:

1. **Chapel:** Attend CCBC chapels and City Church prayer times as scheduled.
2. **Practicum:** Successful completion of practicum credits is a graduation requirement. The practicum programs are based on the following beliefs:
 - a. All Christians should serve others.
 - b. God's primary instrument in the world is the local church.
 - c. Students often learn best by doing.
 - d. Practical application is an essential part of academic education.
 - e. Ministry skills are best developed in a purposeful context that includes supervision, mentoring and evaluation.
3. **Mission Trips:** Successful completion of a CCBC Mission trip is also a graduation requirement. One of the vital parts of your training as a CCBC student will come through participation in one of our mission trips. These trips vary in location and duration each year. There are both national and international opportunities provided as the Lord directs. We offer at least one international trip (price not covered in tuition) to locations including Thailand, Uganda, Mexico, Philippines, Dominican Republic, or Brazil. New international trip locations are added regularly.
Our "local" mission trips, covered in the price of tuition, may include Mexico. All of our destinations require a passport for the purpose of travel. All students must apply for or have already obtained and possess proof of a valid passport before finalizing enrollment in CCBC.
4. **Conferences & Events:** Along with orientation week, the retreat, graduation week activities, participation in any scheduled conferences or events is required.

- 5. Outreach Events:** Students will participate in scheduled outreach and ministry trips, including partnering with established ministries (ex. Dream Center) throughout the year. Please refer to the student calendar for all scheduled events.

C. Church Spiritual Life

Being a faithfully active participant in a local church is a baseline of the Christian life. Part of our overall vision includes *“training leaders in the church, by the church and for the church.”* We believe that a critical part of student development comes through personal involvement in church life.

All students are required to participate in weekly scheduled church events as follows:

- 1. Sunday Services: Students are required to attend one weekend service and serve in one weekend service in any of the following areas of ministry.**
 - City Kids (Nursery, Teeny Kids, Tiny Kids, Mini Kids, and City Kids)
 - Worship Team
 - Service Production
 - Hospitality
 - High School or Middle School Class
 - Guest Experience (Hosts, Greeters, & Parking)
 - Grow Class Hosts

Students are responsible to communicate with the various volunteer coordinators to be put on a regular schedule rotation. An accountability report must be submitted each week indicating which service was attended and which ministry you served each weekend.

- 2. Sunday Pre-Service Prayer:** Attend pre-service prayer where/when scheduled to serve.
- 3. Collective:** Attend Collective (College & Young Adult) services as schedule (3rd Sunday of each month) as well as pre-service prayer.
- 4. City Group:** Attend or lead a city group on a regular basis (as often as the group meets, but no less than two times a month).
- 5. First Thursday Prayer:** Attend “First Thursdays,” which is a monthly corporate church prayer service in both Ventura or Agoura Campuses. Students may be assigned to either campus throughout the year.
- 6. Conferences & Events:** Attend & serve in all City Church conferences & events as scheduled.

Attendance reports for all of the above must be submitted on a weekly basis. Students may be excused from the required services on the same basis as class excuses are given and must turn in an absence request for approval.

These requirements are NOT intended merely to be a obligatory acknowledgment that we are a Christian institution, but are sincerely meant to enhance each student’s spiritual growth.

D. Church Membership

Students get to become members of The City Church and take personal responsibility to complete all of the Grow Classes. Membership in the City Church does not take the place of membership in a home church.

101 - Church - Become better acquainted with the story, vision and values of The City Church. Come to connect with others and have the opportunity to become a church member.

201 - Basics - Explore the basics of Christianity that help produce a more vibrant relationship with Jesus.

301 - Purpose - Discover and understand how your personal strengths and gifts reveal a path to your purpose. We believe God created each person with a specific purpose for his/her life.

401 - Team – Find out how being on one of our teams produces growth and fulfillment and truly connects those involved to our community.

501 - Leaders – Discover how to become a successful leader of a City Group at The City Church.

Tithing

Tithing refers to the practice of systematically giving 10% of one's income back to the Lord for His work (Deuteronomy 12:6). The tithe is 10% of a person's wages. This is the minimum standard for our Biblical giving. Freewill offerings and giving to the poor should also be a part of our giving (Galatians 2:10). A student is expected to tithe consistently and be a generous giver as led by the Holy Spirit.

Lifestyle Witness

You must conduct yourself in a manner that is equitable and that displays honesty, good faith, fairness and responsiveness to all. Your conduct is to be upright and in accordance with the Word of God as doctrinally taught at The City Church. Your life should at all times and in all places (work, school, home, student housing, etc.) be one that reflects the standard of true Christian living.

V. ACADEMIC LIFE

A. Courses & Degrees

Students who successfully complete classes will receive CCBC degree credits. Currently, CCBC has exempt degree-granting status in the state of California and grants 2 degrees:

1. Certificate of Theology – for those who successfully complete 32 credits. (1 year degree)
2. Associate of Theology – for those who successfully complete 64 credits. (2 year degree)

Transcript requests and further inquiries regarding courses or coursework may be made to the CCBC offices.

Students will be automatically registered at the start of each semester for the required courses offered during that term.

B. Class Attendance

We believe that regular class attendance is essential to your education. Course credits reflect a strong attendance component. The faculty has adopted the following attendance policies:

1. Students are expected to attend all classes.
2. Unexcused absences will adversely affect student grades:
 - a. A student is allowed to have, without penalty, 1 unexcused absence for each hour per week that the class from which they are absent meets (*i.e. a 3 credit class that meets 3 hours a week would permit the student 3 unexcused absences per semester; a 1 credit class that meets 1 hour per week would permit the student 1 unexcused absence per semester.*)
 - b. EACH unexcused absence in excess of this will result in a 3% deduction from the student's final grade in the class or classes to which the excess absences pertain.
 - c. If a student is absent from class(es) due to a financial suspension, class days missed will be considered unexcused absences.
 - d. If a student is suspended from class any other reason, including academic or behavioral suspension, class days missed will be considered unexcused absences.
3. There is **no tardy policy** in place. Being late constitutes an absence. Leaving early also constitutes an absence.
4. Students may not leave chapel, class, or practicum before it is dismissed without prior permission from the instructor and/or CCBC staff.
5. If a student needs to be excused from chapel, class, or practicum, they must submit an "Absence Request Form" online either before or the "day of" the absence. Requests that are not submitted as required will be considered unexcused.

Link to the form: <https://thecityventura.wufoo.com/forms/ccbc-absence-request/>

6. Excused absences include: serious illness (up to 1 week of classes), a family wedding, a critical illness/death in the immediate family, jury duty, approved conferences or ministry trips, or approved doctor's appointments.
7. Unexcused absences include: Traveling (vacation including to/from airport), outside employment, minor illness (such as minor colds, indigestion, headache, exhaustion,

mental fatigue, etc.), general doctor/dental appointments, and counseling appointments. These should be arranged during the students' own time and not during class periods.

8. Students are responsible for class content when absent, whether excused or not.
9. Any student who misses more than 1/3 of the total classes for any course is automatically withdrawn from the course regardless of the reason for their absences. Please be aware that our student information system does not automatically calculate absences into your grade. It is your responsibility to calculate absences into your grade throughout the semester as the instructor will not calculate it until the end of each semester.

C. Classroom Protocol

The key to effective learning in the classroom is maintaining attention. Anything that promotes consistent, active and participative attention promotes learning. Anything that distracts or takes away from attention reduces learning.

The following protocol for our classrooms is designed simply to increase attention and learning:

1. Please be on time and ready to learn by the beginning of the scheduled class period.
2. You may bring an appropriate drink with a secured lid to class but **DO NOT BRING FOOD** of any kind into any classroom. Food may be consumed during break **OUTSIDE** of the classroom, but do not bring food inside the classroom at any time.
3. You may use your laptop computer or tablet, but please do not use them for any other purpose than note taking. These devices are not allowed in the back row of a classroom.
4. Please keep your cell phone silenced during all classes and do not use it for any non-class related reason—including texting, calling, social media, games, internet browsing, and entertainment.
5. Appropriate interaction can increase learning in the classroom. However, irrelevant visiting with each other decreases learning. Please stay focused on the topic being discussed and don't carry on side conversations during class except during designated times of discussion as facilitated by your instructor.
6. Please do not work on assignments or study for exams unless directed to do so by the instructor during any class period.
7. Please do not leave the classroom during the class period unless it is a biological emergency. Do not leave class early without prior permission of the instructor.
8. Every classroom has an optimum "zone of concentration." To maximize learning, please do not sit on the periphery of the room unless necessary.
9. While it may be appropriate to study for an exam as a group, making and distributing copies of an exam review takes away the value of the review process.
10. Study notes should not be taken into an examination. All electronic devices are to be turned off during an exam.

D. Coursework and Grading

1. Academic Honesty

Academic dishonesty is a serious matter as it violates the student's commitment to real learning and destroys academic trust. The following actions are construed as academic dishonesty:

Plagiarism is using the intellectual property of others without proper citation, giving the impression that it is the student's own work. Note that any time you download text from the Internet or any electronic document you risk committing plagiarism. The following guidelines are given to help you avoid the possibility of plagiarism:

- Do not simply cut and paste portions of downloaded text into your paper; summarize or paraphrase this material first (although either way requires citation). Submission of a paper that is primarily a compilation of the works of others is plagiarism.
- Making minor changes in wording does not make the work your own. No written assignment should quote another source without appropriately documenting that source. If you do record the exact words of your source, enclose them in quotation marks.
- Always cite both the text that is quoted verbatim, as well as the thoughts and ideas of others that you paraphrase.
- Whether your information is from e-mails, online discussion groups, listservs, or websites, give proper credit by providing appropriate documentation.
- Submission of the same, or essentially the same, work in more than one course without prior consent of the instructors involved
- Submission of work completed earlier as new work or submission of work as your own which has been significantly edited by another person
- Allowing another student to use your work for his/her assignment or helping another student in any way to be dishonest
- Giving or receiving unauthorized test information prior to the exam or using unauthorized sources for answers during an exam

The consequences for academic dishonesty may range from a failing grade for the assignment or exam, a lowered course grade, or a loss of course credit, to dismissal from California Coast Bible College. If an instructor becomes aware of possible academic dishonesty they should consult with the Director of Academics to consider appropriate action.

2. Late Assignment Policy

Just as the instructor's obligation to you is to provide a quality learning experience and timely feedback on all assignments, your obligation is to submit all assignments in the format required and by the date due specified.

The faculty has adopted the following late work policies:

- Late work will accrue a **5% grade deduction each calendar day** for the first 10 days.
- Late work beyond 10 days from the original due date will receive a maximum 50% grade.
- Late work will **NOT** be accepted or graded in the last 2 weeks of any semester. Any late work not submitted before 2 weeks prior to the end of any semester, will automatically receive a 0% grade.
- Late work will be graded after all other on-time work has been graded.
- Students who fail any course will not receive credit for that course, and as a result will not earn enough credits to qualify to receive the Certificate of Theology (32 credits; 1 year degree) or the Associate of Theology Degree (64 credits; 2 year degree).
- Students are responsible to communicate directly to their instructors regarding any absences or conflicts that may affect assignment due dates. All assignments should be submitted by the due date unless specific arrangements are made in advance with the course instructor.

3. Grading

Each instructor and/or the CCBC staff is responsible to explain the effect coursework has on the student's final grade. The instructor and/or the CCBC staff is responsible for evaluating the quality of work and assigning grades. This is done according to the system below:

Letter Grade	Percent Grade	4.0 GPA Scale
A+	97-100	4.0
A	93-96	4.0
A-	90-92	3.7
B+	87-89	3.3
B	83-86	3.0
B-	80-82	2.7
C+	77-79	2.3
C	73-76	2.0
C-	70-72	1.7
D+	67-69	1.3
D	65-66	1.0
F	64 or below	0.0

4. Grade Point Average

A student's semester and cumulative grade point average (GPA) is calculated according to the following:

- a) The number of credits of a course is multiplied by the numerical value of the grade to determine the grade points for each course.
- b) The sum of the grade points for all of the student's courses is then divided by the total credits attempted to obtain the GPA.
- c) The total credits attempted include the hours for F and WF grades as well as the hours of credit earned. Letter grades are assigned a GPA based on the above-mentioned scale.

5. Grade Reports

Final grade reports are issued through the CCBC office to students who are in good financial standing. Grade reports, transcripts, and final certificates are held until all balances have been cleared. Students may access grade progress and attendance records online at any point during the semester through the *Populi* student database system californiacoastbiblecollege.populiweb.com. Upon enrollment, students will be issued a log-in name and issued an email from *Populi* that will prompt the student to create a password and log in to the system. Instructor messages, current grades and attendance records will be accessible from this database.

6. Grade Disputes

If a student believes that a grade for an assignment or course was inappropriate, they are directed by the handbook to discuss the matter with the Instructor or the Academic Director. If a student believes the grade is inappropriate due to issues unrelated to the quality of the work, they may appeal in writing in a timely manner to the Director. The Director may make the final decision or refer it to the CCBC Board of Directors. In which case, the Board's decision is final.

7. Incompletes & Grade Changes

An "Incomplete" (I) may be given only in extreme cases, usually when a student will fail due to extenuating circumstances. Unless the work is completed within one week of the end of the semester, the "I" will automatically be changed to an "F".

E. Academic Probation

Students will be placed on academic probation if any of the following apply:

- The student has a failing grade at the mid-semester mark
- The student's semester or cumulative GPA falls below 2.0 at the end of any semester.
- The student is admitted into the program on academic probation.
- If a student is placed on academic probation, they will meet with the Director of Academics to assess performance, identify areas needing improvement, and determine a strategy for improvement. This may include limiting employment or other activities.

Academic probation is designed to assist students in evaluating their progress in school. This status is essentially a warning that a student must meet scholarship standards to remain in school. If a student is placed on academic probation they are not allowed to register for their next semester until meeting with the Academic Director. He will help them assess their performance, identify areas needing improvement and determine a strategy for improvement. This may include limiting course load, limiting employment, limiting co-curricular and other activities.

F. Graduation Requirements

A Certificate of Completion will be awarded to students who successfully complete the course set before them in the following areas:

1. **Grade Point Average:** You must earn a passing GPA of 2.0 or higher
2. **Chapel Attendance:** You must receive a passing grade (70% or higher) in chapel attendance, which includes CCBC chapels, apartment devotional meetings on Tuesdays, and First Thursday church prayer services.
3. **Practicum:** You must receive a passing grade (70% or higher) in the Practicum or Ministry Apprenticeship, based on promptness, attendance, performance of tasks, attitude, and leadership initiative.
4. **Missions Trip:** Every student must participate in a CCBC mission trip during the course of the year in order to graduate.
5. **City Group:** first year students must maintain consistent weekly attendance while second year students must either lead or attend a City Group on a weekly basis throughout the academic year.
6. **Finances** All student financial obligations (including tuition, rent, and any other fees) must be paid in full in order to graduate.

G. Transcripts & Student Records

Students may request official transcripts through the California Coast Bible College office.

The student's academic file is handled in a confidential manner. Student records may be made accessible to certain authorized state or federal personnel. Student staff/officials in the performance of their professional responsibilities may also access records.

H. Course Changes & Withdrawals

As California Coast Bible College includes predetermined academic elements, students do not have the option to drop any course offered during the first or second year of the program.

If a student is dismissed from the program or withdraws from the program during an academic term, the instructor, based on work done prior to the withdrawal, must report a withdraw passing (WP) or withdraw failing (WF).

I. Course Evaluations

Students are asked to complete Course Evaluations for each class during the last 2 weeks of each semester. Evaluations are to be completed on the Populi student database system. Grades will be locked and will not be viewable to students until all course evaluations are completed.

Students must maintain regular attendance for all CCBC and City Church events as laid out in required weekly and yearly calendars. Students who do not maintain regular attendance may be dismissed from the program.

Student will fill out a weekly *Accountability Report* as part of the practicum log on the first day of each CCBC week summarizing their previous week's attendance for City Church services (Practicum participation, First Thursday prayer, City Group, Weekend prayer, Weekend services – attend 1 / serve 1).

C. Pastoral Mentor Program

Students will have the opportunity to be mentored by a City Church pastor or leader who will be available to them as a student advisor throughout the year. Should you have pastoral needs or concerns don't hesitate to reach out to your assigned mentor.

D. Office Protocol

CCBC Offices

We purpose to maximum office productivity. CCBC offices should only be accessed by appointment or when students have a specific assignment requiring them to be in the offices. Always knock before entering an office.

Church Offices

Students should access the church offices only if they have a specific assignment that requires them to be in the offices. Please do not loiter in any the church offices. If you need to meet with one of the church office personnel, please schedule an appointment instead of coming by to see if they are available. Please maintain an attitude of professionalism in the offices at all times—loud socializing is not appropriate office protocol.

E. Vehicles & Parking

During class days, students may park along the south side of the church parking lot. Students are also allowed to park along the west side of the lot except in the first 8 parking spots closest to the church—those are designated for church staff and visitors. Students may not park along the north or east sides of the parking lot.

During SUNDAY MORNING services, all student vehicles **MUST BE PARKED OFF SITE** at the Ventura campus. No student vehicles are allowed to use the church parking lot during that time. Vehicles in violation will be subject to a \$25 fine added to the student's account.

F. Transportation

Transportation is provided for required CCBC activities. Students are responsible to arrange their own transportation for work and non-CCBC related commitments.

When requesting transportation from another student or person, always offer to cover fuel costs. For round-trip LAX airport transportation, be prepared to contribute a minimum of \$20 to cover round trip fuel costs of whoever is taking you to the airport. Airport runs during class times or other required services are **NOT EXCUSED**.

G. Employment

As a California Coast Bible College student, you are free to pursue part-time employment in

order to meet expenses. Due to your commitment to CCBC, you must limit your workweek to a maximum of 20 hours. If for any reason you need to work more than 20 hours per week, CCBC staff must first approve it. Your job must not conflict, compete, or interfere with your student responsibilities. While on the job, students should always exemplify a Christian lifestyle of integrity and excellence.

H. Lost & Found

Students are encouraged to keep track of their personal belongings when utilizing different areas of The City Church property. Items left on campus will be placed in the lost and found designated area. Please mark your books and other belongings with your name so you can be contacted if your belongings are found. Each resident is responsible for his or her own property. The City Church and/or California Coast Bible College will not be held responsible for theft or loss of property.

VII. PERSONAL LIFE

Central to the mission of California Coast Bible College is the desire to help students grow in character and Christ-likeness. We are not only an academic institution but also a Christian community that focuses on discipleship. Our goal is to provide an environment conducive to accelerated growth. Life transformation happens best when both internal and external forces for change are in sync. There must be the “inside-out” working of the Holy Spirit to bring focus and empowerment for change. When this is active in a person’s life then the “outside-in” working of coaching and accountability can be especially effective.

In our view, when a student enrolls in California Coast Bible College they are enlisting the aid of a spiritual “personal training” program to help their development.

The standards reflected here are derived from Biblical absolutes and principles, City Church/CCBC values, growth goals, and/or community standards. We believe it is our duty to uphold the standards of Scripture as well as pastor students into reflecting those standards in their lifestyle. We have also found it helpful to develop community standards that enhance quality living in community, reduce distractions from spiritual growth & academic disciplines, assist those wrestling with carnality, and encourage reflection regarding lifestyle choices.

Following are some expectations and standards in which we ask cooperation from all students.

A. Speech and Behavior

The language and behavior of students must reflect a Christian standard and never be vulgar, violent, sexually suggestive, or immoral. Curse words are not acceptable.

B. Personal Purity

Because the Christian lifestyle should be free from all contaminating influences and addictive behaviors, students are expected to abstain from use or possession of pornography or any morally degrading media as well as avoid being in an inappropriate or compromising situation with a member of the opposite sex.

C. Music & Media

Any music or media in which the lyrics are obscene, hateful or impure should not be played on church premises, student housing, nor be a part of the Christian lifestyle.

Students are asked to use Godly discretion in their choices of movies and entertainment rather than depending on secular rating guides. Avoid media that is vulgar, impure, or offensive, whether it be to you personally or to those who may not understand your participation in it.

EPH 5:3-4; ROM 14:13

D. Drinking, Smoking, and the Use of Drugs

No alcohol, tobacco, marijuana, drugs, or any illegal substances may be consumed during the entire course of the academic year including breaks. Any student who uses alcohol, smokes (including vaping) or manufactures, distributes, dispenses, possesses, or uses controlled substances or drugs will face disciplinary action, up to and including immediate dismissal from the program. Students must inform the CCBC staff if they are taking any medication that may affect their behavior or performance.

This is based on a community standard of the California Coast Bible College. Though the Bible does not clearly prohibit the consumption of alcohol, it does prohibit drunkenness. There are also legal prohibitions of minors consuming alcohol. Our abstinence policy reflects the collective wisdom of the church leadership and CCBC faculty that these substances pose very serious social and safety issues. Our prohibition is also in part designed to provide opportunity for thoughtful personal reflection on this issue.

E. Gambling & Clubs

Avoid any form of gambling, as well as attending dance clubs. Social dancing that is sensual, suggestive or provocative in nature is inconsistent with Christian purity and should be avoided.

F. Dress Code & Personal Appearance

As Christians, the way we present ourselves to others affects the way they perceive Christ, and may affect the impact we have upon them.

All students must dress reasonably for the nature of their ministry work, so as to be a good representative of The City Church and California Coast Bible College and reflect standards of modesty and good taste.

Clothing such as pajamas, sweatpants, swimming shorts, and swimwear of any kind, are examples of attire that is not appropriate on the church premises. Extremely tight-fitting clothing and tops with low necklines are not appropriate.

**Any church or CCBC faculty/staff member reserves the right to ask a student to adjust their personal appearance as is deemed appropriate.

G. Men & Women Relationships

Because of the call of God on the students' lives, preparation for that calling is their primary purpose becoming a student of California Coast Bible College. At times, a romantic relationship developing between young men and women can cause a shift in focus that distracts from that purpose. If it is not kept in balance with their goals, it could tend to preoccupy their time and hinder their studies. Also, taking young people away from their homes and grouping them together in a small area like California Coast Bible College tends to abnormally promote their interest in each other at a time when they do not have the same measure of accountability to their parents and pastors.

As an overall guide, we want to prevent men and women from exclusively spending too much time together and becoming intimately involved prematurely. During this season each student should focus on their spiritual growth and the development of godly relationships that are based on healthy, non-romantic friendships.

Staying focused and distraction free during this season and will maintain the integrity of this program and provide you with the full benefit of what this program was designed to produce.

H. Dating & Romantic Relationships

A romantic relationship is defined as two people who have a romantic interest or attraction for each other, and who are making an effort to cultivate their relationship through time, words, and/or actions.

Dating is defined as two people (who have a romantic interest or attraction for each other) exclusively spending time together whether alone or with other couples.

1st and 2nd year students attending California Coast Bible College are NOT permitted to pursue a romantic interest with anyone or to date anyone during the duration of the academic year.

If the CCBC pastoral staff determines that your case is a rare exception to the above rule and that being in a romantic relationship and being a CCBC student is the right thing for you, the CCBC pastoral staff will provide a City Church pastoral staff or couple as oversight and regular accountability for that relationship as long as the student is enrolled at CCBC. This is to help prevent romantic relationships from being cultivated prematurely and to help keep any approved romantic relationships healthy and balanced during the duration of the program.

I. Sexual Immorality

Any CCBC student who has any inappropriate sexual interaction—specifically intercourse or oral sex—with another person in the program or out of the program will be immediately dismissed from CCBC and student housing, if applicable. This includes the duration of the academic year along with all breaks. Upon dismissal from the program, CCBC and The City Church pastoral staff will offer a path of healing and restoration within the City Church if the student chooses to stay and be restored in this local church and program. The restoration process will include, but is not limited to, pastoral counseling with one of our City Church pastors, and continued involvement in a City Group and Collective services.

Our heart is not to reject a student who has failed, but to give each one an opportunity to be restored to proper health and healing within the local church. During the restoration process, it is best for the student to focus their attention entirely on the process of healing and restoration instead of continuing the CCBC program. Our heart and goal is to challenge the students to live a higher standard than what the world portrays in regard to healthy and pure romantic relationships.

J. Respect for Authority

It is expected that all students will be responsive to those in authority, maintain good attitudes and show respect at all times for all teachers, administrators, apartment leaders and personnel in charge of a given area of leadership and responsibility. If the student feels a decision or request by someone in authority is not justified, he/she should discuss the matter first with the person directly responsible. If the situation is still not satisfactorily resolved, an appeal can be made to his/her direct authority.

K. Disciplinary Action

The principle of discipline is to associate a consequence with misbehavior to motivate better behavior. It can be an effective tool for change. We utilize this tool as a last resort without any sense of rejection or disdain. We are here to help students change and we intend this process to be surrounded by a positive and friendly atmosphere of genuine concern. Our motivation is part pastoral and part parental, desiring to see students grow in ways that will ensure their future success.

We understand that we have set high standards and we are committed to helping students live up to them. As might be expected, a decision to violate one of these standards may result in some form of disciplinary action. A student's voluntary admission demonstrates a student's integrity and desire for change. This is always carefully considered in determining if discipline is necessary as well as deciding the nature of the discipline.

To reinforce a student's pledge to live within the California Coast Bible College code of conduct, warnings, probation, or suspension may be given. These are not intended as punishment but simply as reminders of the guidelines.

In the event that a student fails to meet the standards set forth in this handbook, the Director or his designee will take corrective action, as determined in such person's discretion, in order to maintain the standards and integrity of California Coast Bible College. While some violations may require immediate dismissal, generally the following steps will be taken:

1. **Warning** – Any violation of the CCBC standards will result in a verbal and/or written warning. Certain violations may merit immediate probation or even dismissal.
2. **Probation** – A student may be placed on a 15-day probation period at the discretion of the Director with written stipulations as deemed necessary. If the Director or his designee determines there has been no measurable change or that the student did not take the required steps, the student will be dismissed.

3. **Suspension** – A student must be off campus for the duration of a suspension, which may be from one to a few days. They may not attend classes, and all missed classes will be considered unexcused. All standards and rules still apply during suspension.
4. **Dismissal** – Dismissal from California Coast Bible College may be immediate, at the end of the current semester, or at another time determined by the Director or his designee.

California Coast Bible College reserves the right to dismiss a student without warning if the violation of the standards warrants it, as determined by the Director.

Students will be responsible for the remainder of tuition costs, as well as housing costs. Financial aid may not be applied toward housing or missions trips.

Students may submit personal letters of appeal for financial aid explaining their situation in addition to their financial aid application. All financial aid applications will be processed through the finance department and the College Board will determine final approval of any financial aid. Applying for financial aid does not guarantee a student will receive financial aid. Students should not depend on financial aid as their source of income for CCBC costs.

2018-19 academic year:

July 15 - Financial Aid Application deadline

Aug 1 - First month's rent and housing deposit due (if applicable)

Aug 1 - Notifications of approval or denial of Financial Aid

RESIDENCE CHECK-IN & CHECK-OUT PROCEDURES

Move-in procedure

Student move-in dates are **August 25-26, 2018**. The CCBC staff will arrange a check-in appointment (between 9:00am - 6:00pm only) as soon as students communicate their arrival time. (See contact information on page 2 of this handbook). Resident assistants or CCBC staff will assist with move-in forms and check-in procedures.

Check-In

When checking in, each student must sign a form verifying the furniture in the room and the condition of the room and the furniture. Fill out the "Check-in" section of the Check-in/Check-out form in the room assigned to you, noting any damages existing in the room (walls, fixtures, furniture, bed, flooring, etc.)

After completing the form properly, submit the form to your RA to obtain your residence key. Report lost keys to your RA immediately. A \$10 replacement fee will apply. Keys are not to be duplicated under any circumstance.

Initial rent payment (first month's rent plus damage deposit) must be submitted in full to the finance office and the following forms must be completed prior to residence occupancy.

1. Housing Agreement
2. Financial Policies Form
3. Emergency Health Information
4. Room Check-in/Check-out Form
5. A copy of your driver's license and proof of insurance (if you plan to keep a vehicle on site.)

Check-Out

When checking out, each student must thoroughly clean his/her room and put all original furniture in place. Removal of furniture, defacing or destruction of property will result in an assessed cost of repairs. Proper checkout procedures are as followed:

1. Remove all personal belongings from the room and any items from the walls
2. Clean the room thoroughly including walls and paint repair.
3. Return residence key to RA
4. Complete check-out form and have appropriate housing staff review and approve it.

Once you have properly checked out with the Resident Assistant, damage deposits will be processed and refunded in a timely fashion.

RESIDENT LIFE POLICIES

Our goal is to facilitate respect and healthy community among all those participating in residence living. Part of your responsibility as a resident is to understand and adhere to the following guidelines established on behalf of the residence community.

Resident life procedures and policies are designed to:

1. Provide a safe and healthy living environment, consistent with the philosophy of The City Church
2. Help students understand responsibilities as a resident
3. Provide fair and consistent treatment for all student residents

Resident Life Goals

1. Encouraging a “family” environment: RAs will endeavor to facilitate a family environment among student residents to enhance the learning experience of all students and the atmosphere of resident housing.
2. Encouraging Unity: Residents meet on a regular basis to cover any announcements for the week and to spend time in prayer and fellowship.
3. Activities: Scheduled events throughout the year will provide opportunities for fun and fellowship.

Housing Violations Disciplinary Action

Disciplinary action may be taken for any violation of the housing or campus policies, such as: curfew violation, misconduct, unapproved guest stays, or complaints from other Village Green residents. General disciplinary action will be taken as follows (per semester):

- 1st Violation = Verbal Warning
- 2nd Violation = Written Warning
- Subsequent Violations = \$25 fine or 2.5 work hours
- Students that accrue more than 6 violations may be placed on a 15-day probation. If no measureable change takes place, the CCBC Director reserves the right to evict any student from CCBC Housing.

Off Campus Requests

Residents desiring to stay off campus must get approval in advance from the Resident Director (RD). The resident director will then notify the corresponding Resident Assistant (RA).

Guests & Visitation

Students seeking enrollment in the California Coast Bible College may be permitted to stay overnight for a maximum of two nights in student housing at the discretion of the CCBC staff and if room is permitting. This is only permitted if the proposed student attends all CCBC classes and City Church services while staying on campus. All other friends and family (including alumni) should secure other accommodations for visits. We ask this out of respect for your roommates and to prevent the residence from becoming a “hotel”. While visiting, guests must observe residence policies. Violation of policy may result in the guest being prohibited from the student residence in the future. Failure to comply to these policies will result in disciplinary action.

*Guests or students of the opposite sex are NOT permitted in student apartments without the oversight and approval of the RD or CCBC Staff.

Curfew Policy

Curfew is 12am every day, 7 days a week. During extended breaks (including Thanksgiving, Christmas, and Spring breaks) curfew may be adjusted or lifted. This will be announced and

communicated by the housing staff before each break.

- Students are expected to be inside their apartment by curfew.
- Visitors may not remain past curfew.
- It is the responsibility of the RA to enforce curfew for the students in his/her apartment. RAs do not have the authority to give curfew extensions or to excuse a student that was out past curfew.
- If a work schedule interferes with the ability to make curfew, a copy of the work schedule must be provided in advance to the CCBC staff for approval. In such cases, the CCBC staff must approve late arrival and determine appropriate arrival time. CCBC staff will communicate any approved curfew exceptions to the RA.

Individual Room Guidelines

All of our apartment rooms are double or triple (when necessary) occupancy unless otherwise approved by CCBC staff. Rooms measure approximately 10' x 12'. Each room will be furnished with a regular twin-sized bed per student. You may provide your own furnishings for your room.

Do not use nails, screws, thumbtacks or anything else that causes holes or wall damage, when attaching things to the walls. You may mount lightweight objects on your wall or doors using Poster Putty. Scotch tape, masking tape, or stickers are not permitted on walls, doors, or woodwork. Do not remove closet doors.

For security and prevention of damage, please close your windows and lock your door when you leave your apartment. Turn off lights, fans, computers, and other electronic devices when you leave your apartment.

You are responsible for providing your own cleaning supplies and maintaining your living space. The RAs and CCBC staff will conduct both scheduled and spontaneous room checks for cleanliness, safety, fire hazards and other issues that the student may need to address. Failure to comply may result in fines and loss of your security deposit.

Linens and toiletries

Students will need to provide their own toiletries, towels, linens and personal storage units. The beds provided are regular twin size.

Common Areas

Common areas are to be kept clear of student's personal items. Every resident should take personal responsibility for the care of the student residence.

Kitchen

Full kitchens are available for student use and will be furnished only with basic appliances (refrigerator/freezer, range, oven, toaster, microwave). Small personal refrigerators may be permitted upon approval.

- Residents must take personal responsibility to clean up after themselves with each use. Dishes must be cleaned and put away after each meal.
- Weekly cleaning schedules will be assigned by RAs
- Appliances may be stored in the cupboards and should be properly labeled by the owner.
- All appliances left in the kitchen are considered free to use and are left at the risk of the owner.
- Food in the refrigerator must be labeled and still edible or it will be discarded at the end of the week. Students should respect other residents and not access another student's food or personal property unless permitted.

Laundry Facilities

The apartment complex is equipped with 8 laundry facilities. These are common spaces for all Village Green (VVG) residents and should be kept clear of personal items. The apartment complex supplies one reloadable laundry card per unit that may be shared among residents. Lost cards may be replaced and additional laundry cards may be purchased for \$10 through the VVG offices.

Quiet Hours

- Quiet hours are from 10:00 p.m. to 8:00 a.m. daily. All students are expected to intentionally contribute to an atmosphere of study and peace during quiet hours. Out of respect for other students, unnecessary noise in rooms or common areas, such as loud playing of musical instruments or stereos, is not permitted.
- Musical instruments and stereos should be played at room level. Electrically amplified instruments may be played quietly during the day, and with headphones during quiet hours.
- The RA reserves the right to define room level volume and to determine instruments that may not be played. Consistent disregard of noise levels may result in disciplinary action and/or loss of privileges.

Personal Property and Cleanliness

Residents should respect each other's privacy and property rights. It is wrong to enter another student's room or borrow his or her possessions without permission or to damage the property of a fellow student. Loaning or borrowing money or possessions is strongly discouraged. Students should use every precaution to safeguard their personal property. It is the responsibility of the student to secure and lock the apartment when unattended. Theft, vandalism, or damage to the property of The City Church, rental properties, students or staff members may result in criminal charges and disciplinary action. The City Church and California Coast Bible College are not responsible for and cannot be held responsible for theft of or damage to a student's personal property.

Students are expected to keep their rooms clean and orderly. Room inspections take place both weekly and randomly without warning. RA's will set room inspection frequency and guidelines.

Media / Internet

During this season of training, we ask that students use discretion and are very open and accountable with all visual media intake including: TV, movies, computers, laptops, internet access, video games, computer games, DVD players, iPods, iPads, smart phones, etc.

- Visual media should not be viewed without accountability present. If you are in your individual room, the doors should be kept open when accessing the Internet or viewing any visual media. It is encouraged to access all visual media in common areas of the home when other residents are present.
- R-rated movies are not prohibited within CCBC housing.
- PG-13 movies will only be allowed depending on content and approval from the RA.
- CCBC students are encouraged to view and listen to media that reflects the standards of the CCBC Pledge of Honor and code of conduct.
- Students should download "X3 Watch" or other Internet accountability software on all devices that access the Internet (smart phones, laptops, computers, etc...). X3 watch accountability emails should be sent weekly to the appropriate CCBC staff person and also your City Group leader, as well as any other accountability partners.

Internet access is available on the "CCBC" network at The City Church. Students are responsible for wireless Internet connection and maintenance in individual apartment units. Viewing of

inappropriate material is not allowed, and all Internet access is subject to firewall restrictions and monitoring.

Vehicles and Parking

Students who plan to keep a vehicle on the apartment premises must submit a copy of a valid driver's license and vehicle information to both the CCBC and VVG offices.

The City Church and CCBC are not responsible for damage to or theft of any vehicles kept at CCBC housing locations or on The City Church property. Keep vehicle locked and valuables out of sight at all times.

Postal Services

Each student is responsible to contact the United States Postal Service with a change of address immediately upon transitioning to another living situation.

PROHIBITED ITEMS

Fire Hazards

Burning candles is a fire hazard; and therefore should be used with extreme caution within apartments. Never leave a candle unattended. Please also use caution with all electrical items (such as lamps, electric heaters, irons, curling irons, etc.). Use irons on ironing boards ONLY, irons are not to be used on carpets or other flooring at any time.

Pets

Pets are not allowed in the student residence or on VVG property at any time.

Firearms, Fireworks and Weapons

Firearms (including look-alikes), ammunition, fireworks, weapons, knives or any other lethal or dangerous devices are prohibited in student apartments and on The City Church property. Any of these listed items will be confiscated and disciplinary action will ensue.

Bonfires

VVG does not allow any open flames or bonfires in the backyards of the units per regulation of the Ventura Fire Department

Alcohol, Tobacco, Illegal Substances

Alcohol, tobacco and/or illegal substances are strictly prohibited in the student apartments and on The City Church property at ALL times, including when the CCBC year is not in session (i.e. summer and all breaks). It is never permitted to possess or store alcohol, tobacco, and/or other illegal substances in the apartments or on City Church premises.

EMERGENCIES

Life Threatening Situations

Serious Injury or Hospitalization

If a student is seriously injured, ill, or in need of hospitalization for any reason, the appropriate

CCBC Staff and RA should be immediately notified.

Individuals Threatening Suicide

Any member of the CCBC community becoming aware of a student or other individual on campus threatening suicide (verbally or otherwise) should inform the CCBC Staff immediately. It is our policy that every threat of suicide is taken seriously and initially assessed by the California Coast Bible College Director or a member of the church pastoral staff. In some cases, professional counseling may be mandated. Confidentiality will be maintained to an appropriate extent unless a threat of harm against oneself or another is involved or disclosure is otherwise deemed necessary.

Earthquakes

Sizeable earthquakes are rare in the Ventura area and are seldom a direct cause of injury or death. However, they can happen and earth movement can cause buildings and other structures to shake, crack or even collapse. Most injuries result from falling objects and debris, splintering glass, fires, and panic. Cooperation is necessary to ensure the safety of all.

In case of an Earthquake:

- Remain as calm as possible.
- If inside, do not run outside. If outside, move away from buildings and structures with broken glass or collapsing debris.
- Move to a safe area in the room - under tables or desks, against inside walls, hallways or supported doorways.
- When shaking stops, leave the building at the exit nearest to you, go to the front lawn area and report to your RA.
- Be prepared for aftershocks.
- Closets and storage doors should be opened cautiously.

Evacuation Procedures

In the event of an evacuation situation, the church parking lot at the front entrance of the offices is the primary meeting place for all residents.

IF YOU ENCOUNTER SMOKE OR FIRE, IMMEDIATELY:

Leave the building from the nearest safe exit. If you must open a door to access an exit, feel the handle first. If it is warm, do not open. If it is cool, open the door cautiously. Call 911 from the nearest safe area. Give the dispatcher concise information regarding the location of the fire at present. Once you are released by Fire Department personnel, gather with your RA and roommates and remain outside until all persons are accounted for and you receive further instructions from GI Staff or Fire Department officials. The Fire Department and their appointed helpers will be the only ones to search the building.

STUDENT HOUSING AGREEMENT

2018-19 Academic Year

This Student Housing Agreement (this “Agreement”) is made as of the date it is accepted by California Coast Bible College (the “College”) as set forth below and is by and between the College and the student of California Coast Bible College who has signed below (the “student”). The College and the student agree as follows:

1. RESIDENCE: The College and the student agree that the student will live in student housing in one of the rental properties in contract with California Coast Bible College and/or The City Church. The College will assign the student’s room and reserves the right to re-assign the student to another apartment or room for any reason deemed reasonable or necessary by the College.

2. ELIGIBILITY: To be eligible to remain in the student housing under this agreement, the student must be enrolled in and in good standing with the College.

3. RENT: The student agrees to pay to the College for residence in the student housing a monthly rental of \$400 for double occupancy rooms, or \$350 for triple occupancy rooms. The monthly rent is due by the first day of each month. Rent for any partial month’s stay will be pro-rated at \$14 per day. The first month’s rent payment of \$400 for September 2018 and a refundable damage deposit of \$300 are due by August 1, 2018.

The monthly rent payment begins in October and is due October 1, 2018. A \$25 late fee will be due for any month in which the College receives rent after the 3rd day of the month. Payments are to be made through Populi.

4. TERM: The term of this Agreement and the student’s residence in student housing will be from August 25, 2018 through May 23, 2019. This Agreement can be terminated before the end of the term only as follows:

- a. The student agrees **not to terminate this agreement before May 23, 2019** without the expressed written consent of the College.
- b. The College can terminate this Agreement for any reason as of the last day of a month by giving the student written notice at least 7 days before the termination date.
- c. The College can immediately terminate this Agreement for Cause by giving written notice to the student. For this purpose, “Cause” means any breach of this Agreement by the student (including but not limited to failure to pay rent when due) or any conduct by the student that is determined by the College to be (1) inappropriate, (2) detrimental to the student, other housing residents, or other students of the College, or (3) otherwise worthy of termination of this Agreement.
- d. The student must immediately move out of student housing if he or she no longer meets the eligibility requirement of Section 2, in which case this Agreement shall terminate as of the date that the student moves out.
- e. Students will not be charged the pro-rated amount for the days living in the apartments in the month of August 2018. However, students will be charged an entire month’s rent for May 2019, to help offset the cost for August.

5. SECURITY DEPOSIT: A \$300 deposit is due by August 1, 2018. The security deposit may be applied by the College to cover things such as unpaid rent, late fees, or property damage caused by the student. Any damage or other costs assessed to the student can be deducted from the security deposit, and upon the College’s request the student must immediately make an additional security deposit so that the amount held by the College remains \$300. The Handbook states the conditions under which any unused balance of the damage deposit will be refunded.

Early move-out and termination of the housing contract without the College's approval will result in loss of refund

Each student must complete a room and apartment condition form prior to moving into his or her assigned room. The student will be charged for any damage to his or her assigned room. Damage in common areas will be charged to the specific individual or group of individuals deemed responsible for the damage. The student is responsible for the conduct of his or her guests.

6. CARE / MAINTENANCE / REPAIRS: The student is responsible for the care and use of his or her assigned room and its furnishings and must comply with all the conditions of the room and apartment condition form. Any requests for repairs and maintenance of the room or apartment should be directed to the CCBC staff or the Resident Director. No student may perform repair or maintenance work on the College's property or any rental property.

7. COMPLIANCE: The student must comply fully with (i) the provisions of the Handbook, as amended by the College from time-to-time; and (ii) all other rules, regulations, guidelines, procedures, or policies determined, published, or adopted by the College.

8. NO LIABILITY / INSURANCE: The College is not responsible for any damage to or theft or other loss of the student's personal property or for any interruption in utilities, internet access, or related services or systems. **The College does not carry insurance coverage for the student's property. The student is strongly advised to retain insurance coverage for his or her personal property.**

9. RIGHT TO ENTER / INSPECT: The College maintains the right to enter and inspect the student's room at any time, without prior notice, for any reason deemed reasonable or necessary by the College. When feasible and appropriate as determined by the College, the student will be given prior notice before the entrance or inspection.

10. NO WAIVER OR BREACH: The failure of the College to insist upon strict performance of any provision of this Agreement in any instance shall not be construed to be a waiver or relinquishment of any right the College may have under that or any other provision.

11. STUDENT HOUSING POLICIES: By agreeing to this housing agreement, the student is also agreeing to follow all additional student housing policies outlined in the "Student Housing Policies" section of the CCBC Student Handbook.
